

Footle and Grok 2021 Reading Challenge

There are fifteen tasks in each of three categories. Once you have read a book for each task, write down the book's name and the date you completed it. When all the tasks in one category are finished, let me know on the Footle and Grok blog, and I'll send you your virtual badge (see below for virtual badge details.)

You can complete the categories in any order and do one, two, or three of them as you wish.

You get to choose which book fits each task; the only rule is no repeats. It can be a book you've read a dozen times or a new book. I won't be grading you, so have fun with this reading challenge.
